Multi-Race, Not Hispanic or Latino	25.0	11.1	-13.9	22.8	27	4	Exceeded Target
Native Hawaiian or Other Pacific Islander	-	-	-	-	-	-	-
White	22.4	13.5	-8.9	19.5	252	4	Exceeded Target

Improve Student Achievement

- Improve Tier 1 instruction, increase time spent on high-quality task. Use Advanced Learners Pilot to improve instructional strategies.
- Incorporate use of monthly walkthroughs to support best practices.
- PLC's are based on content and use data to drive instruction.
- Build teacher capacity, confidence and internalization of Curriculum materials, lessons and high-quality tasks and questions through PD and Building based meetings

Increase Literacy

- Incorporate peer observations and walk-throughs to support best teaching practices
- Use WIN block to support struggling readers using science based reading strategies
- Use Title One Tutors to provide individual and small group instruction on reading comprehension

Readiness for Career and Citizenship

- Students in grades 5-8 will use Naviance Platform which helps students think about careers, academic and college planning and long-term goals
- Students will visit Haverhill High School and learn about the career paths available from a HHS education and the local technical schools.
